

COMMERCIAL.

PLAIN AND ORNAMENTAL PRINTING of every description at the Printing Establishment of the Leader Office, in the latest and most rapid manner.

We offer short notice, and at reasonable rates. Particular attention paid to blank work. Every description of binding done; especially Blank Books, Ledgers, Journals, Sales Books, Receipting Books, &c., &c.

FINANCIAL, ETC.

Money matters notices as reported for several weeks, both at home and abroad.

Another notice to Grecian marble has been made by Chicago leaders, and all the original list thrown out again rejected except three. Buyers here have the same rates as other Wholesalers—1 per cent more.

The Supply of Books in Europe exceeds the demand, and we are obliged to sell at less than cost per acre.

Our Agents are able to extend their circulation.

There is no change in any of our books since our last.

Commercial houses here are only moderately active.

There is not much speculative demand for produce at present, and much of it is stored.

Our Wholesale Merchants are doing a very satisfactory business. Some of them beyond their expectations.
